

Food Truck Guidelines

WELCOME TO SCULPTURE PARK!

We are glad you are joining us today for the event. Please review this document, carefully. Feel free to reach out with questions, at any time. Thank you so much!

***All food trucks must have a retail food mobile license to operate inside the City and Count of Denver – please visit link: [LICENSE LINK](#) ***

ARRIVAL TO THE PARK

- Please text/call the contact name you will be given prior to the event day. This person will facilitate getting you into the park. Please **DO NOT** enter the park until your contact has arrived to guide you in.
- You may be asked to drive backwards for a distance. Please make sure your driver is comfortable making 3 point turns and driving backwards.
- In order to park on the grass, you must have turf tires or air in all tires coming in contact with the grass. If your unit is a tractor-trailer model, the trailer must also have these kinds of tires.
- Once guided onto the grass, you may **not exceed 5mph**. This will be strictly enforced.
- Please keep in mind that we are first in/last out park. Food trucks are not allowed to leave the event until the agreed upon event end time or the park is cleared of all patrons.
- The preservation of our trees, bushes and other plants is critical for us. Please note: You will be led into the park on a route that prioritizes the preservation of our flora. Thank you!

SET UP

- All food trucks in Sculpture Park must have their own generators. There is no power available for trucks, in the park. Please ensure your generator is able to run for several hours.
- If you believe you need extra space (outside of the park) in order to replenish your food supply, please make those arrangements with the manager of special event operations for the park. (Email listed below)
- When the event has ended, please wait for the **ALL CLEAR** to be given to you before leaving the park.
- You will be guided out of the park in the same way you were guided in.
- You may not exceed 5 mph while traveling in the park. This is strictly enforced.
- Keep in mind there is **NO** disposal for food waste, oil, or ice. You must haul out what you haul in.

Please do not hesitate to reach out with questions! Our manager of special event operations is happy to help!
